

Nativity BVM Catholic School

September 18, 2020

Dear Nativity Families,

We are excited to announce that beginning September 21, 2020, *Nativity School will participate in the Extended Summer Food Service program, which has been approved by the USDA in response to the COVID-19 pandemic. The program is expected to end December 21, 2020. This means that **ALL** of our students may eat lunch for free until we get out for Christmas break. We are so grateful to Ms. Martha, our Child Nutrition Supervisor/Manager, for ensuring that our students and families at Nativity receive this opportunity. This program will not only provide free food for all of our students, but it also provides income for every meal served in our cafeteria, which as I mentioned earlier, is in need of this income. We hope that each of our families takes advantage of this wonderful opportunity to save some money and help our cafeteria!

This program does not include ice cream or recess drinks. Please continue to send money for those. If there is money in your child's account, it will remain for ice cream and recess drinks or will be there when we go back to regular lunch prices in January.

Thank you for your support!

Many blessings,
Traci Kessler
Principal

*This institution is an equal opportunity provider.
